Overview and Background:

Centennial Windows Ltd. was founded in 1981 by Mr. Terry Lee as a business from his home. Today, Centennial Windows is one of Canada's leading window manufacturers with 10 showroom locations throughout Ontario and 176 employees.

In 2003, Centennial Windows was the first company in Canada to earn the ENERGY STAR® qualification label. This accolade was followed closely in 2004 with headlines across Canada and the USA by becoming the first window company to be recognized as ENERGY STAR Manufacturer of the Year. In 2005, the company was named ENERGY STAR Retailer of the Year and made a long-term commitment to London with the construction of its new manufacturing facility.

In 2007, George Warren, Centennial's long-time Operations Manager, purchased Centennial Windows from its founder Terry Lee. Today they work together leading the company with George Warren as President and Terry Lee as Vice-President.

In June 2008, Canada's Office of Energy Efficiency, Natural Resources Canada, presented Centennial Windows its highest award of ENERGY STAR Sustained Excellence. This award recognizes the company's products and its long-standing commitment to energy efficiency.

Products:

Centennial Windows manufactures award-winning, custom replacement windows and doors and is best known for its innovations and energy efficiency within the industry. Centennial Windows is unique in that it manufactures, retails and installs all of its products. Installers are employees of Centennial Windows.

Every window manufactured by the company surpasses Canada's ENERGY STAR qualifications required for Ontario, and meets the requirements for installation as far as the North Pole.

Energy Efficiency Notes:

Existing windows in residential homes can account for up to 25 percent of total home heat loss.

All Centennial Windows are ENERGY STAR qualified and exceed the current specifications in place.

Partnering with TRY Recycling in London, Ontario, Centennial Windows recycles all components of their customers' previous windows removed from homes across Ontario.
